# Welcome to HSM

Established	: 2052 BS
Location	: Hetauda-4, Makawanpur
Website	: <a href="http://www.hsmonline.edu.np">www.hsmonline.edu.np</a>
Principal	: Puran Bahadur Joshi
Academic Programs	: 5
Faculty Members	: 59
No. Of Students (2069)	: 1879
Books and Journals	: 10478

Hetauda School of Management (HSM) is a pioneer educational institution of Hetauda City. With the motto of "Strict Discipline, Quality Education" HSM has become a trusted name delivering quality education to students of Makawanpur district and nearby localities. In the long term, HSM dreams of breaking the centralized educational structure of Nepal and give quality education at minimal cost to students.

To achieve this, HSM has been continually trying to improve its existing experienced faculty members by providing them trainings. HSM has made continuous efforts to embrace innovative teaching methodologies combining with modern teaching technologies so as to make education effective and learner-centric.

HSM evolution has been marked by continuous effort to improve its Management and Academic Team so as to meet the needs of students and connect them to real world scenario. We are proud that today many of HSM graduates have excelled in their personal and professional life. This success reflects the unique flag of self-confidence, good knowledge and values that students carry after studying in HSM.

Established in 2052 BS, HSM launched 10+2 in management with only Thirty Five students in its first year. Today nearly two thousand students are perusing their studies annually in HSM in five different programs. The future plan of HSM is to incorporate more technical, job-oriented and practical courses at the disposal of students of this region.

## Mission

Strict discipline, quality education.

## Objectives

- To impart education and knowledge to students in various fields of education using innovative teaching methodologies and best teaching technology.
- To produce competent human resource with capability to contribute in overall development of the country.
- To develop cultivated individuals with sense of social purpose, attitude and values.
- To contribute for the development of higher education through research.

# Message from the Chairperson

Education is the shining light.

Education is the soul of the society. With education comes enlightenment and the hope for a better future. Education is the shining light that guides individuals and society towards prosperity. With this knowledge, we seek to find the best possible educational institutes for ourselves and for our children. At HSM, we understand this feeling and we strive to provide quality education and values that remain with the students for a lifetime.

It is my great pleasure therefore, to welcome students to our institution where we will prepare you for the challenges of life. We promise, at HSM, you will not only get degrees or academic excellence but also important life values like discipline, hard work, sincerity, leadership, confidence and professionalism.

## **Surendra Lal Das**

(MA Economics TU, B.Com/ B.L. / D.C.E. )

Chairperson, HSM

# Message from the Principal

Strict Discipline  
Quality Education.

“Education is the process by which character is formed, strength of mind is increased, and intellect is sharpened, as a result of which one can stand on own feet. And a teacher’s sacred duty is to invoke the spirit of inquiry in his pupils.” – The given quote by Swami Vivekananda inspires me and everyone at HSM are dedicated to the principles reflected in the quote.

As the head of this college, I would like to assure all the prospective students that you will find this institution a place conducive for academic pursuit. We focus on quality education and provide all the necessary opportunities to our students to excel in their respective subjects. Our Academic record itself is an evidence of our commitment, dedication and devotion to our goals.

At HSM, we spare no pain in making you stay in with the college as comfortable, fruitful and rewarding as possible. I therefore invite all the concerned students to visit our college and gather all the needed information. I am confident that the students will make right choice and ensure their bright future through HSM.

**Puran Bahadur Joshi**  
Principal, HSM

# Features of HSM

## Faculty

HSM has highly trained and experienced faculty. They hold degrees from the best universities of Nepal and abroad. The faculty works professionally giving individual attention to students. The college brings in professional, experts from various fields as visiting faculty to broaden their horizon.

## Computer and Science Lab

The college is equipped with two modern computer labs with fast computers so that students are able to use sophisticated softwares. The college also has separate Computer hardware and Network Labs.

The college has well equipped Physics, Chemistry and Biology Labs to help student get sound practical knowledge on chosen subjects.

## Library

The college has a modern library with large collection of books on all the subjects taught in the college. There is space for reading newspapers and

other periodicals. The students are highly encouraged to use library so as to broaden their knowledge base.

## Classroom

HSM has modern classrooms with comfortable seats, audio visual system, surveillance camera and multimedia projector. The college is well on the process to digitize its classroom and embrace IT to facilitate learning.

## Others

- Individual attention provided to each student.
- Providing regular information about student's progress to Parents.
- Personal and Career counseling provided to students.
- Use of Continuous Assessment System to record student's progress.
- Integrating learner centric teaching methodologies with modern teaching techniques to provide best education.
- Involvement in Cultural and Sports Activities.
- Bus Services provided to students.

# Features of HSM

## Discipline

HSM emphasizes greatly on discipline. Obedience to college authorities and teachers, maintaining dress code and attendance, appearing in exam, respecting and creating harmonious relationship with other students are few things students have to maintain during their stay in college.

## Dress Code

HSM strongly emphasize that student wear college uniform as it encourages feeling of harmony and equality. The college assigns different dress code for different faculty so that it is easier to maintain discipline and order.

## Anti Drugs, Alcohol and Tobacco Campaign

Drugs, Alcohol and Tobacco are strongly prohibited in HSM. Any student found using them faces serious action from the college management. We also run various awareness programs annually to discourage students in getting involved in such addictions.

## Free Wi-Fi and Internetworked environment

HSM is probably the first Wi-Fi enabled college in the region. All the students can access free Internet and other networked services inside the college premises through their computers.

## Sports Activities

HSM organizes annual sports week event which is the attraction not only for our students but for the locals too. We also support various other local sporting events like: National Boxing championship, President's Cup track and field event.

## Student Personal and Career Counseling

HSM sees that every student is growing and learning new things every day. If anyone is falling backward we provide personal counseling and try to resolve issues bothering the student. The college also provides career counseling to students helping them in making career decisions.

# Science (10+2)

Foundation  
for Science &  
Technology.

HSM offers 10+2 in Science for the students who are interested in pursuing their career in Science and technology. This program prepares students to take higher education in General Science, Medical Science, Pharmacy, Engineering, Environmental Science, Information Technology and other programs.

## The objective of Science (10+2)

- Prepare students for more rigorous and professional disciplines of Science, Engineering and Information Technology.

## Class 11

### COMPULSORY SUBJECTS

- C.English
- Physics
- Chemistry
- Math

### ELECTIVE

- Biology
- Computer

## Class 12

### COMPULSORY SUBJECTS

- C.English
- C.Nepali
- Physics
- Chemistry

### ELECTIVE

- Math
- Biology
- Computer

Curriculum Affiliation : H.S.E.B.

Academic Year/s : 2

Eligibility : SLC or equivalent with minimum 2nd division

# Management (10+2)

Foundation for  
Management &  
Business.

HSM offers 10+2 in management for the students who are interested in management and business studies. This program prepares students to take higher education in Management, Business Studies, Business Administration, Information Technology etc.

Curriculum Affiliation : H.S.E.B.

Academic Year/s : 2

Eligibility : SLC or equivalent with minimum 2nd division

# Bachelor's in Business Studies (B.B.S.)

Gateway to  
Business Studies.

Bachelor's in Business Studies under Tribhuvan University provides students with concepts and methods of operation and management of organizations. At HSM, we teach students how to apply these concepts in a real world scenario preparing them for job market even before they pass out.

## The objective of B.B.S.

- Prepare a strong foundation in allied areas of business.
- Prepare graduates to understand, and analyze the management concepts, theories and practices.
- Provide opportunity to concentrate in one area of specialization areas such as accounting, finance, human resource management, management science and marketing.

## THE FIRST YEAR PROGRAMME

- English
- Economic Analysis
- Business Mathematics and Statistics
- Principles of Management
- Cost and Management Accounting

## THE SECOND YEAR PROGRAMME

- Accounting for Financial Analysis and Planning
- Fundamentals of Marketing
- Financial Management
- Foundations of Human Resources Mgmt
- Legal Environment of Business

## THE THIRD YEAR PROGRAMME

- Accounting
- Finance
- Management Science
- Management
- Marketing

The students are encouraged to focus on a particular functional and sectoral area of business studies.

- Concentration I
- Concentration II
- Concentration III
- Elective (Sectoral Management Area)

Affiliation : Tribhuvan University (T.U.)

Academic Years : 3

Eligibility : 10+2 or equivalent with minimum 2nd division

# Master's in Business Studies (M.B.S.)

Specialization in Business Studies.

Master's in Business Studies is important for the specialization in a particular area of operation and management of organizations. It introduces students with high level concepts on chosen subjects such as Account, Finance, Marketing to name few.

## The objective of M.B.S.

- Equip the students with required conceptual knowledge of business and management.

## THESIS WRITING OR PROJECT WORK

The M.B.S. program requires the students to conduct original research work during the second year. Students are required to either write a thesis or under take two project assignment based on their original research work.

Curriculum Affiliation	: Tribhuvan University (T.U.)
Academic Year/s	: 2
Eligibility	: Bachelor or equivalent with minimum 2nd division

# Bachelor's in Information Management

Gateway to IT & Management.

Bachelor's in Information Management (B.I.M.) is designed for the students seeking career either in Management or IT. The courses in B.I.M. acquaint students with IT and managerial skills so they can manage and lead IT projects. Students become IT managers rather than just IT professionals.

Our hands in IT courses give students strong theoretical and practical experiences preparing them for future challenges. Managerial and analytical skills they learn in B.I.M. makes them leaders in the IT field.

## B.I.M. Graduates can work as:

- IT managers, IT consultants for private, non-government and Government organizations.
- System managers and administrators in Banks and other businesses.
- Software developer, Analysts, Project managers.
- System administrators and Network engineers.
- IT teacher and instructors in different educational institutions.
- IT researcher and IT entrepreneurs.

The students can also pursue graduate courses such as M.B.A., M.C.A., M.Tech., M.I.T., etc after completion of the program in any university of the world.

## Non-credited Courses:

As per the requirements of the students and the market, the college will arrange facilities of various non-credited specialization courses.

Affiliation	: Tribhuvan University (T.U)
Students intake	: 60
Number of Semester	: 8
Admission	: T.U. CMAT exam
Eligibility	: 10+2 or equivalent from any faculty.
